

Broadview University – Appleton: Student Right-to-Know Graduation Rate, Retention Rate, Diversity, Placement Information
Published July 1, 2017

<p align="center">Graduation Rate – Student Right-to-Know</p> <p>This is the percentage of students entering the institution as full-time, first-time (no prior postsecondary education), degree/certificate-seeking undergraduate students who entered in the Summer and Fall 2010 academic terms, and who completed their programs within 150 percent of normal time to completion. Disaggregated graduation rate data displayed by gender, race/ethnicity, and financial aid status are based on the same cohort of students. Because many of our students have previous college experience, the number of students measured in this rate is relatively small as compared to the total campus population.</p>	<p align="center">Student Body Diversity & Pell Grant Recipients</p> <p>The demographic data provided below are based on students enrolled in the Fall 2016 academic term, as reported in the 2016-2017 IPEDS Fall Enrollment Survey. Race/ethnicity identification is reported at the option of the student. The overall percentage of Pell Grant recipients is reported in the 2016-2017 IPEDS Student Financial Aid Survey.</p>
